NEW WELCOME GARDEN

Much gratitude goes to a couple of LC volunteers for this vision of a beautiful architectural statement for the south corner inside the front gate. Planting will be done in April.

THANK YOU to many of you who pick up litter on your walks around Windridge. It is **VERY** much appreciated!

Here is a feel-good story from **January's Millersville Quick-Hitter Litter Pick Up**.

I was in the CVS parking lot grabbing *little stuff* at the curb and a woman walked from her parked car calling a hearty thank you for my efforts. She offered to buy me a Starbucks to which I thanked her, but declined. She asked again with genuine enthusiasm, so I suggested she buy a coffee in my honor for the person behind her. She was happy with that and off she went. She shortly returned to tell me that the recipient of her surprise said that she had awakened that morning with a heavy heart and this gesture restored her faith in the goodness of humanity. Powerful. ~GH
